A Spacious Surprise In A Splendid Spot...

Here is that sun splashed 2 bedroom villa home that you have been looking for that has a real courtyard to rave on about, when you're outside entertaining your friends in real style, perfectly screened in the centre of this immaculately kept group of retro villas, so conveniently close to Gilbert Roads city tram route and evolving Preston Food Market.

Welcome on inside and enjoy real floorboards that flow throughout its tastefully renovated and surprisingly private interior which will be easy to like and match either with today's on trend vintage or modern home styling.

A vast open plan living arrangement clearly defines functional dining and comfy lounging options which both favourably enjoy the courtyard outlook all year round. A thoughtful layout also separates a well-planned kitchen and a super nice bathroom with a practical laundry area away from the 2 sleeping retreats with the master bedroom even having enough space to set up a work from home space if
