Your excitement will just continue throughout this radiant apartment that oozes so much style inside and out, making it the perfect place to isolate. When time permits, you will be able to host a mega post-Covid 19 garden party in your very own backyard.

It's hard for this apartment not to boast about its many points of difference which include; A totally private rear ground floor position sharing only one wall, a peaceful bedroom setting with a designated work from home space, big bathroom and a totally workable open plan living area which is overseen by a practical kitchen setup.
