Dazzling Renovation...

A real WOW is the feeling when you walk into this warehouse influenced apartment that would definitely be classified as the royal suite if it was in a 5 Star hotel.

Cool exposed polished concrete floors flow nicely through the spacious open plan living area that leads onto a small private balcony, designer kitchen clearly allows for good dining and shows commitment in every way with Caesar stone bench tops, glass splash backs and gas stove, double mirrored robe bedroom leads you to a luxurious bathroom that you will love getting ready in, smartly hidden European laundry and complete with a split system heating/cooling unit.

Located in a happening location where you can get to work or get a bite to eat so easily, with a choice of transport and popular local cafes in just minutes away.

You Will Be The Envy Of Your Friends If You Live Here ...
