Come Check Me Out...

"Come on in I want to show off my real solid timber floorboards that are enjoyed throughout, my separate bathroom ensuring my bedroom stays out of bounds, my flashy stainless steel appliances with even a gas cook top and I like the fact I only share one wall. My open plan layout clearly defines a living & dining space that will make it a great place and I must not forget to mention I come with some happy endings including, a front loader washing machine, air-conditioning, classy privacy blinds and a bubble bath...

Our building is surrounded by pretty garden beds & is spoilt by the lifestyle & conveniences the area is known for, being able to walk to the gourmet local supermarket, cafe's, parks, tram & changing High Street.
