### What A Beauty...

Beautifully maintained villa gets tops marks for its comfort factor, expansive open plan living that enjoys a lovely leafy outlook all year round and its convenient location just a minutes' drive to the Eastern Freeway.

Be further impressed as it just gets better inside, the bedrooms are spacious with built in robes with both offering air conditioning. The bathroom has been tastefully updated with separate bath and shower. Downstairs the kitchen has great cupboard and bench space as well as the much desired gas stove. The living area offers total privacy, gas heating and flows easily out to the low maintenance garden area. Not to forget the laundry facilities which have been thoughtfully tucked away in lockable garage.

Home Sweet Home...
