### Your Own Real Veggie Garden...

Fresh produce is expensive, so this courtyard lets you enjoy the taste of home grown vegetables with the excitement of planting your own to satisfy your taste buds. Inside will further excite as the lounge is spacious, the kitchen is separate, the bathroom has a bath tub and the bedrooms are totally private. It will be easy to like the new timber floorboards throughout, new stove and the convenience of a clean communal laundry on site.

A rare find, in a street that is so popular because it offers loads of public transport options and it's so close to a happening lifestyle on High Street.

Living Here Will Be Fun...
