Renovated Pizzaz With Courtyard Jazz...Be the lucky one to live in this jazzy apartment with your very own private courtyard that has way more than most.

The look is so in, beginning with polished concrete floors that complement the open plan living area that favourably leads outdoors, a creative and well planned kitchen allows you to fine dine in style, while the bathroom lets you wind down in your own bath tub. More instant attractions are its stand out rear position that offers a perfect feeling that no one is watching, your own private entrance and the convenience of having your own laundry facilities.

Saying you live at 1 Collins street could sound a bit swish, but Thornbury Collins street gives you what you want, when you want and how you want it, being just steps away from the ever changing and convenient High street.
