### Your Own Retro Palazzo...

Once occupied by one Italian family, who created two massive homes under the one roof, so they can be all together, but still keeping in mind total independence and equal grand spaces for both, it now presents for its new residents a unique and value packed opportunity on the happening end of Terrific Thornbury.

Its spaces inside will impress with three big bedrooms, formal living and dining rooms, separate kitchen, family bathroom, separate laundry, separate toilet and amazing uninterrupted city views enjoyed by the envied terrazzo balcony.

Please Note: The residents on the lower level have exclusive use of garage and driveway. All garden spaces are shared by both but maintained by the owner.
