

51 Davis Street CARLTON VIC

3 1

Value Packed 3 Bedder....

Here's a affordable opportunity to live just around the corner from the many talked about Carlton North village cafes and being able to access Melbourne University and Melbourne city centre very easily.

This charming home has had some thoughtful improvements over the years which includes a third bedroom upstairs, polished floorboards throughout and a exposed brick feature wall that makes it so cozy. The kitchen and bathrooms are totally functional and there's a small rear garden that lets you potter around and plants some herbs.

New owners are unsure of their plans so a 6month lease is available.
