### Anything You Want...You've Got It...

Anything you need you've got it... Inside and out of this stylish pad, it has got what you have asked for...The renovation. in the right location, with spacious accommodation, but wait you've got more.

Perfectly placed at the front of this retro red brick building, it's even got great light and a surprising private and green outlook throughout its spacious layout. A welcoming open plan living area overlooks a cool limestone wall as so does the kitchen, which is also well appointed with loads of cupboards and stainless-steel appliances. A thoughtful floorplan separates robed bedrooms away from everyday living which both enjoy greenery outlooks and share a nice bathroom and separate toilet. There is also a deep bath, laundry facilities, floorboards, security entrance, secure parking and electric heater.

You've got convenience and lifestyle covered as well. It's so easy to get to a tram, train, bike path or cafes from this
