Why Is It The Best On The Block?

Occupying the front corner position on a small & secure boutique block of only 6, its pleasing top floor spot, boasts about the natural light, the total privacy and greenery aspect it has to offer, but wait there is even more to keep on smiling about.

Entrance hall, separate kitchen, spacious living room, a very private bedroom, a cool retro bathroom incorporates laundry facilities with a deep bath and often sought after gas cooking & heating.

It's neutral & spotless interior has been lovingly maintained as a home by the owner for 20 years, but it will welcome you to stamp your own individuality on it when you have time, in this quiet & friendly neighbourhood, not too far from talked about local attractions and conveniences.
