You can be the one to stamp your own personality & create your own renovation, and you can afford to live in terrific Thornbury. While plans take its place, this ground floor rear & private spacious apartment with some garden space will be a great place to call home.

In this come back, now cool old school building just metres from the exciting & cosmopolitan life you want down on happening High Street, its easy to create interior will be easy to like or change. Pleasing floating floorboards are enjoyed in the open plan living & dining area that leads to the retro feeling kitchen & opens onto a friendly garden area, big bathroom that incorporates laundry facilities with a separate toilet & bathtub, robed bedrooms, timber blinds and gas heating.
