Hello Sunshine...

"Oh it's so lovely having North & East facing windows, that lets the sun shine through my big windows in all seasons year round that makes my renovated interior so comfortable & enjoyable to call home. Our building is surrounded by pretty garden beds & is spoilt by the lifestyle & conveniences the area is known for, being able to walk to the gourmet local supermarket, caf?'s, parks, tram & changing High Street...

Come on in I want to show off my real solid timber floorboards that are enjoyed throughout, my separate bathroom ensuring my bedroom stays out of bounds to guests unless mmm, my flashy stainless steel appliances with even a gas cook top and I like the fact I only share one wall. My open plan layout clearly defines a living & dining space that will make it a great place. I must not forget to mention I come with some happy endings including, a front
