\$ 299,000

The safest bet is property & with a current rental return of \$13,560pa you can plan for your future and know that your money is safe. This top floor apartment has just been recently re painted & newly carpet throughout & was leased in just 1 day as it represents a light & fresh feeling on the inside with a convenient lifestyle on the outside. 

Big windows are enjoyed in the open plan living area, 80's updated kitchen & bathroom that are very workable, robed bedroom and carspace. A nice & friendly apartment block, that has some long term owner occupiers that love living here because they can train it, tram it, bike it or jog it from this spoilt position.
