"Rent"... Can always be a damn to pay but a joy to receive so this affordable apartment gives you the choice to stop paying it or start receiving it. A let's move in or lease straight out presentation simply allows you to act on your decision now and in time you can jazz it up your own way.





Favourably positioned on the top floor of this well maintained small block, loads of natural light shines on through the big windows in the sizeable open plan area, neat kitchen, ensuite bathroom and double robes in the bedroom. 



It's perfectly located in this attractive residential street surrounded by lovely homes, that all enjoy the benefits being a minutes' walk to some cool grungy local cafes, parklands and transport options.
