An intelligent open plan design maximizes the sense of space with full-height glass doors and windows that spill outdoors to a generous outdoor terrace. In the sleek gourmet gas kitchen Caesar Stone bench tops add a luxurious touch, while floor to ceiling tiles create an elegant mood in the designer bathroom. A preferred entrance hallway nicely hides away a spacious European laundry.

The attention to detail makes all the difference in this luxurious boutique development of only 28 that offers the latest visual interface security, secure basement car park and storage unit.
