Spring Into Summer In Style...

It's your turn to fire up the BBQ & invite your friends over, as this year you can entertain in real style in your very own sun splashed north facing courtyard from this surprisingly private and secure street facing ground floor apartment.

A sparkling & easy to like renovation welcomes you inside to a generous lounge that enjoys big windows that overlooks & accesses outdoors perfectly, a separate eat in kitchen, spacious robed bedrooms, soak up the bubbles in your own bath tub in the tastefully renovated bathroom, smartly hidden separate European laundry and secure car park.

Positioned perfectly on this well maintained secure apartment block, that allows you to get St Georges Road Tram, Croxton Station or a cheeky night on High Street all in just minutes.
