Sizeable Start On The South Side...

So pace out the steps to the popular lifestyle on High Street, leisure time at Pender's Park or good local shopping at the famous Cozzella Brothers, feel the sun in the garden and see this affordable opportunity shine in this favorably leafy street on the Thornbury border.

Step beyond a sweet brick facade to find an inviting lounge room, two good sized bedrooms, separate study or alternative third bedroom and a mix of vintage flair and modern comfort with bright updated central bathroom and eat in retro kitchen.

Best of all there is also a welcoming studio space which leads outdoors to a gorgeous North facing rear garden with unexpected play spaces including mature fruit trees, veggie patch and the convenience of a side driveway.

A Real Winner...
