Live Large & Love The Lively Location...

Enjoying an abundant of natural light and leafy vistas from picture windows throughout its modern interior is this extra spacious 2 bedroom apartment, that presents itself just right for effortless living inside and out, being inches away from vibrant dining, entertainment and the real fashion precinct high on Rucker's Hill.

Move straight in attributes elevate its appeal but so will the floorplan that offers a welcoming entrance foyer, a well connected kitchen that provides ample space for casual dining, a oversized and totally private living room and big bathroom that favourably separates a bath tub, separate shower and provides laundry facilities. Extras include gas cook top, intergrated dishwasher and car park.

A Brilliant First Home Or Investment...
