The Ultimate Single Level Home...

Tucked away privately at the rear of this small group of 4, is this captivating home that demonstrates perfectly there's no need to compromise on space or entertaining when it comes to a low maintenance lifestyle.

Whichever direction you look, this home offers something special. An impressive elevated entrance, auto double garage, 3 bedrooms, 2 bathrooms, 3 toilets and surrounded by a private wide garden setting. The overwhelming sense of spaciousness continues throughout its naturally light floor plan that also offers a formal lounge room with elegant fireplace, a dedicated open study area, well placed kitchen and dining that leads perfectly outdoors to a large alfresco timber deck and backyard.

Other positive features include: Ducted heating, dishwasher, cooling, separate laundry, under house storage and so much more.
