A Masterpiece Of Inspired Design...

With imposing period charm, this beautifully detailed solid brick family home is better than ever with a multi use of spaciousness for a growing family, matched with a low maintenance allotment in a highly sought after pocket.

A stunning decorative entrance foyer with high ceilings, gorgeous lead lighting windows and rich timber floorboards are mesmerizing upon entry throughout the versatile low level floor-plan that offers the choice of 2 bedrooms or formal living zones, a designated family dining room connecting perfectly to an entertainers dream kitchen and an overwhelming family room that naturally proceeds outdoors. There is also a bathroom, big laundry, good storage options and sweet sewing or study area.

An impressive upper level highlights a fantastic balconied terrace where you can admire spectacular sunsets and 3 bedrooms that share a gorgeous claw foot bathroom retreat.
