Q: What Separates This From The Others?

A: Separate Bathroom, Separate Kitchen & Entrance Hallway...

Your excitement will just continue throughout this radiant apartment, which surprising separates itself from its neighbours from a totally private ground floor position in this well cared for retro block allowing the ease to walk to High St and St Georges Rd transport, cafes and night life choices in or out of this funky town.

A hard to find floor plan makes great for casual living all year around with a generous living room that enjoys big windows, extra spacious bedroom, double showered bathroom, delightful kitchen which provides ample cupboard space and the convenience of your own laundry facilities.

It's A Winner...
