Sizzling With Style & Comfort...

A renovated surprise on the inside is this rear 2 bedroom ground floor corner apartment advantaged by only sharing one wall and some outdoor space sure to make it the ideal first place.

Warm and vibrant interiors including natural timber floors and bench tops sets the scene for a non pretentious and soulful renovation throughout its generous interior which also presents; Proper dining/living spaces, well designed and placed kitchen, nice big bathroom advantaged by having a separate toilet and laundry facilities. It also features: Gas heating, gas cooking built in robes, linen press and car space.

In a now again cool retro red brick building the other cool part of this affordable and exciting opportunity is living so close to terrific Thornbury's cool and talked about
