A New Level of Design In the Zone...

Fashionably stylish, conveniently located and so easy to maintain, this executive 2 bedroom, 2 bathroom residence, offers all a busy professional couple needs as a perfect first home or easy investment. Its thriving community location, offers a brilliant network of walking, cycling paths, easy public transport options and hip eateries in this fast developing St Georges Road precinct.

An expansive light filled middle level has often been envied by its neighbours, for its more practical and thoughtfully designed kitchen which is perfectly placed, naturally creating more space throughout the open plan living and dining areas that all leads out onto a fabulous entertainers terrace with city views. The upper level showcases a standout master bedroom enjoying a full ensuite and 2nd bedroom enjoying its own separate bathroom. The lower level also offers a welcoming entrance foyer, internal
