The Ultimate Single Level Home...

Proudly occupying the front of this cool group of only 3, is this captivating home, which perfectly demonstrates there's no need to compromise on space or entertaining when it comes to a low maintenance lifestyle, all perfectly positioned in this prized Thornbury border location.

A unique design of high angled roof lines create a sun splashed interior that has been tastefully renovated, showcasing a generous open plan living/dining area overlooked by a hostess kitchen and private courtyard garden. Two robed bedrooms share a wonderfully light bathroom with bathtub and a over sized separate laundry. Other positive features include: Single lock up garage, real polished timber floorboards throughout, dishwasher, gas heating, gas cooking, linen press and no Body Corporate fees payable.

This home really has the space and look you seek with the lifestyle you love in this preferred South of Bell Street
