3 2 1

A Magnificent Triumph...

Preserved and exquisitely enhanced by an inspired contemporary design, this exceptional 3 bedroom, 2 bathroom double storey Victorian residence seamlessly blends cutting edge excellence with a gritty industrial edge, creating a truly very special and unforgettable family domain.

Evocative detail such as exposed brick walls, rich timber exposed beams, high ceilings, original doors and a beautifully custom made decorative staircase are all individual statements of style and sophistication. A gracious formal living room with an open fire setting is complemented by the dramatic staircase, and steps down into a sleek gourmet Smeg kitchen and inviting dining area, opening onto an idyllic north facing courtyard garden, with built in bbq and adorable barn style bar /storage shed. The loft domain master bedroom suite showcases a romantic separate bath setting and casual sitting and study area.
