### Dressed To Impress With Courtyards Appeal...

Enjoy life with this very stylish and well presented ground floor apartment with two outdoor areas, in this popular parkside location opposite Pender's Park and so close to the throbbing end of High Street's revolving restaurant culture, and trams which will make living here enjoyable and very easy.

A secure independent entrance into a creative courtyard sets the scene for alfresco entertaining over looked by the open plan living area and well planned kitchen with dishwasher. A totally private mirrored robe bedroom perfectly leads to another courtyard and nice bathroom which will complete your wants, laundry facilities a must.
