In A League Of Its Own...

Step up on the 2nd floor of this exclusive boutique block of only 15 apartments, and you will discover this well designed youthful apartment which maximizes space, privacy and the right amount of natural light that is totally unexpected in modern developments.

This designer apartment offers a preferred entrance hallway that cleverly separates a European laundry and private bathroom retreat away from everyday living, confirming that this design is thoughtfully planned. It also showcases a full width outdoor terrace that allows direct access from both the mirrored robe bedroom and expansive open plan living/dining area which overlooks the expertly finished and practical kitchen.

Other positive attributes include: Secure undercover car parking, security intercom entrance, dishwasher, split system heating/cooling, gas cooking and designated fridge space.
