Super-Sized Simplicity In The Sun...

Full of natural light and an abundance of space, this top floor rear apartment is truly a sweet find, in this non-pretentious and tightly held group of only 6, which offers more than just a great location, being doors away from exciting cafes and restaurants on High Street, the 86-city tram and Thornbury Train Station.

A functional and flowing layout provides the perfect mix of privacy and space which features generous north facing living and bedrooms, eat in kitchen perfect for those who like to entertain with its real dining spaces and gas cooking facilities and a big bathroom that lets you wind down with ease in your own bath tub. It also includes a welcoming hallway, laundry facilities, split system heating/cooling, robes, linen cupboard and car park.

This easy to like apartment will be a sensational step into the property market for first home buyers who want a soulful home or an easy investment for the carefree
