Pure Apartment Bliss...

Favourably located at the rear on the 1st floor of this 3-level development of only 15, is this youthful corner apartment, that maximizes space, privacy and volumes of light which is totally unexpected and hard to find in modern developments.

This well-planned apartment of approximately 70m2 of internal functional space offers a preferred entrance hallway that cleverly hides a European laundry and study area. It's very practical open plan living/dining area offers a seamless merge to outdoor entertaining to a full width outdoor terrace and also naturally adjoins a well-placed and planned Caesar stone kitchen. A relaxing bathroom retreat is perfectly centered between the two mirrored robed bedrooms nicely away from living. Added necessities include: Secure undercover parking, intercom entrance, split system heating/cooling, gas cooking and
