Under Offer...

It's such a surprise to find an apartment that ticks all the right boxes and we are sure that this ground floor apartment does offer those things that make apartment living that little more comfy, so let's get ticking.

A light filled North facing living room, prominent corner position which shares no walls, separate bathroom, separate kitchen and even a welcoming entrance hallway. It also offers a gas stove, laundry facilities, built in robe and easy car space.

Right in the heart of Thornbury's eclectic entertainment precinct where good bars, restaurants, trains and trams are just a moments walk away, assures savvy first home buyer satisfaction.

Your High 5 Moment Is Right Here...
