**Under Offer...**

Triumphant in its ability to blend the creation of space with warmth and intimacy throughout its well-planned layout, is what this brand new, just completed apartment shows off about, in this happening up beat location, surrounded by a wealth of convenience and lifestyle options all on your doorstep.

Its 2nd floor position will be a joy to live in, as its bathed in glorious natural sunshine and is surprisingly private and quiet. A welcoming entrance hallway creates an immediate sense of house like qualities upon entry and provides a natural flow throughout. Fuss free entertaining is assured in the open plan living area that naturally spills outdoors to undercover alfresco entertaining . A statement of evident quality and practicality is the kitchen design, with a proper pantry, intergraded fridge, intergraded dishwasher and Smeg gas appliances.

Other positive attributes include: Separate bathroom,
