### SOLD \$551,000... At Auction

Step up on the 1st floor of this exclusive boutique block of only 20 apartments, and you will discover this private oasis which maximizes space, privacy and volumes of light that is totally unexpected in modern developments.

A perfectly planned and well-appointed sleek kitchen oversees the over-sized open plan living area which naturally proceeds outdoors to a perfect balcony setting to enjoy a glass of wine or two on a balmy summer's night. Two robed bedrooms are smartly placed away from everyday living and offer direct access outdoors with the master offering its own convenience of an ensuite bathroom, while the main bathroom allows for relaxation time in your own bath tub. A smartly placed European laundry offers extra storage options and there is also a dedicated study area.

Added necessities include: Secure undercover parking, storage cage, intercom entrance, split system
