Summer Fun In Your Own Courtyard...

Set up your outdoor setting, fire up the barbeque and start to enjoy entertaining in your very own North facing courtyard as this street facing corner apartment has what you want, and timing is perfect, if you want to end the year with a big bash.

A well laid out floorplan makes great for casual living all year around with a generous living room that smartly positions the well-planned kitchen, which confirms the chef can socialize with ease. A totally private bedroom suite enjoys a leafy outlook all year round and leads you through to a lovable bathroom and the great outdoors with a handy storage shed with laundry facilities and its own entrance gate.

In a well maintained and secure building of only 8, just a moment's walk to a local park and an easy walk to Georges
