Under Offer...

With all the right elements for a brilliant low maintenance lifestyle, without compromising on entertaining, is this now cool 80's villa, that has been refreshed on the inside making it the perfect setting to call home for young or old.

Its opened and naturally light floor plan showcases, a welcoming entrance hall way, a generous living room perfectly adjoining the designated dining area & well-appointed kitchen that naturally opens out onto a totally secluded full width courtyard, a chic bathroom with walk in shower and separate European laundry.

With lots of surprises insides that include rich original timber floorboards, built in robes in both bedrooms, split system heating/cooling and easy off-street car park.

Privileged to be set in the middle of a well-groomed group of only 5, in this prestigious and central location which gives you loads of choice of where to get a latte, public
