Sizzling With Style & Comfort...

A renovated surprise on the inside is this top floor corner apartment, advantaged by that fact that no one walks past your door and it only shares one neighbouring wall. This well cared for and secure block, so close to terrific Thornbury's cool and talked about attractions on High Street, is conveniently sandwiched between trams, train and the area's most popular bicycle path on St Georges Road.

Warm and vibrant interiors including new German engineered laminate floorboards set the scene for a fresh and soulful renovation throughout its generous and naturally light filled interior which instantly makes it feel like home. A welcoming living room features big windows and easily accommodates dining which leads you into a thoughtful separate kitchen enjoying a lovely leafy outlook. A totally private bathroom with laundry facilities also lets
