Picture-perfect is simply the best way to describe this apartment, as its layout instantly wins top marks for practicality, space and an amazing sense of escape, so rarely found in modern developments.

True to its title, is the welcoming open plan design, which naturally gives you the opportunity to entertain in style, being seated around a dinner table for a more formal affair, but as the event kicks on, a seamless connection into a full width courtyard garden, instantly lets you and your guest enjoy the great outdoors.

The kitchen has what one needs to work efficiently with gas facilities and a tailored made island bench comfortably connecting with your guests while you're in food-prep mode. Totally private bedroom and bathroom retreats
