### Another Bisi Property GONE @ A Sunday Auction...

This street facing apartment has got what it takes to host a cracker of a party, in your very own North Facing courtyard, which lets you easily set up a BBQ, an outdoor setting and some herb or veggie planter boxes so you can learn to become a green thumb.

Its well-planned and non-pretentious presentation makes great for casual living all year round with an entrance hallway, separate eat in kitchen with gas cooking, generous living room, bathroom with laundry facilities and a peaceful bedroom retreat.

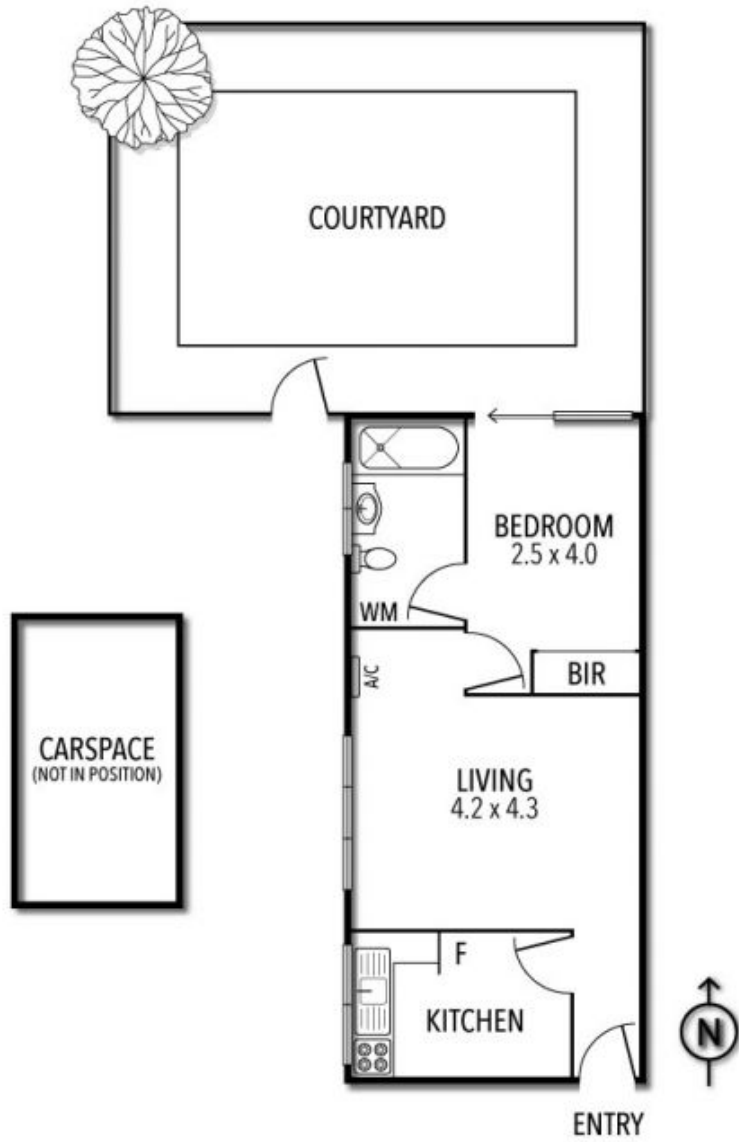

In a well maintained and secure building of only 6, just a moment's walk to a local park and an easy walk to Georges Road tram, bike paths and the lifestyle on Miller Street, this standout apartment is sure to make a happy home or easy investment.
