Step Inside For A Mega Surprise...

Smell the coffee and feel the Brunswick vibe come alive in this 6th floor sensation, which shows off clearly about its naturally light filled over-sized private interior and full width outdoor terrace offering distant views.

A perfectly planned open plan living space naturally leads outdoors and is overseen by a well-appointed and functional u shape kitchen. The standout main bedroom offers its own exclusive ensuite and access outdoors, while the 2nd bedroom highlights its easy access into the main bathroom which also incorporates a European laundry.

Some added comforts and extras include: A smart study alcove, gas cooking, dishwasher,g, security video entrance,
