### Dazzling Renovation...

You will get a real WOW feeling when you walk into this warehouse influenced apartment, perfectly placed on the top floor of this cool old skool red brick block, which enjoys being so close to a host of dining and transport options from this envied Rucker's Hill location.

Cool exposed polished concrete floors flow nicely throughout its sun splashed renovated interior enjoying a spacious living room that enjoys easterly views of the Dandenong's, designer kitchen which clearly allows room for dining options, a totally private chic bathroom lets you wind down in your very own deep bathtub and an extra specious robed bedroom.

Other highlights include: Split System heating/cooling, induction cook top, internal laundry facilities and so many loveable thoughtful treats.
