Soaked in sunshine, this rear town residence offers a larger than expected impressive design, with a warm relaxed feel and low maintenance appeal, not far from the delights and conveniences of Gilbert Road, Spring Street shops & Regent Station.

The lower level showcases a clever ensemble of a zoned living room and dedicated dining area that is designed around a well appointed kitchen that leads you through out onto a fabulous private garden space. There is also a separate laundry area, 3rd toilet, and extra storage options. Your excitement will continue on the upper level with a standout master bedroom that offers a walk-in robe & ensuite with the further 2 bedrooms being spacious & robed, both enjoying a family sized bathroom with the convenience of having a separate toilet.
