### Another BISI Property GONE At Auction...

Home Is Where The Heart Is...

A charming traditional façade combines a loveable infusion of classic & contemporary designs, which integrates a beautiful connection outdoors to a relaxed backyard with the perfect home office, right in the heart of Miller Street Village conveniences and happening foody scene.

Immediately you will be WOWED on how the open plan living room cleverly zones everyday living & chilling spaces, which is naturally overlooked by a well-planned and appointed kitchen that seamlessly flows to the great outdoors. A larger than expected master bedroom retreat enjoys its own bathroom, while the two further bedrooms are also generous in size, enjoying a leafy outlook through their gorgeous bay windows and share the light filled family bathroom that cleverly hides the laundry and linen cupboard.
