Filled with glorious sunshine, this 2-level hip apartment, offers a surprisingly private interior in a modern development of only 7, right in the beating heart of fabulous Fairfield.

A naturally light filled upper level offers unexpected tranquillity in an open plan design leading outdoors to a sunny Northern setting. A well-appointed kitchen and spacious bedroom which enjoys distance views over the roof tops through floor to ceiling windows are also highlights of this cheery level. An adaptable lower-level layout could see the bedroom retreat become the perfect home office for those that see clients at home, as this practical level also smartly separates bathroom, toilet, and laundry away from the entertaining hub of the home for extra comfortable living or working.
