Step Inside For A Mega Surprise...

Thoughtfully designed for a fabulous lifestyle of ease is this superb 2-bedroom, 2-bathroom residence, perfectly placed in this rapidly sought-after location close to good local shopping, schools and Edgars Creek wetlands.

Your excitement will be on the upper level throughout its defining open plan design, offering a seamless connection outdoors to a large terrace ideal for those larger social gatherings. As a super host you can easily connect with your guests inside or out as the kitchen is well placed and provides the necessities of a dishwasher, gas cooktop and pantry.

The lower level also smartly keeps the sleeping quarters away from everyday living with 2 private bedroom retreats which have their own bathrooms, separate European laundry with the convenience of having direct access into a single auto garage which confirms there is easy off street parking, or it has the right spot for a brilliant home gym.
