A Real Celebration Of Low Maintenance Living Awaits You...

Fashionably stylish, conveniently located and so easy to maintain, this executive 2 bedroom, 2 bathroom residence, offers all a busy professional couple needs as the perfect first home or easy investment. Its thriving community location offers a brilliant network of walking, cycling paths, easy public transport options and hip eateries in this fast developing St Georges Road precinct.

An expansive light filled middle level is more practical than others in this development as the kitchen is perfectly placed, naturally creating more space throughout the open plan living and dining area that all leads out onto a fabulous terrace.

Other positive attributes of this inner-city slicker are the bedrooms smartly placed away from everyday living, there is a dedicated entrance foyer which has good natural light and smartly hides a European laundry and internal access
