Just Like A Prayer - 2 Courtyards Will Take You There?

Now this apartment's 2 courtyards will easily bring out the socializer, gardener or book worm in you, while its location will bring out the community spirit in you, picnicking or singing in Penders Park or at a Madonna tribute night at our local favourite, Thornbury Espresso Bar.

A totally private interior will also let you walk around like no one's watching and let you set up comfortable living, dining & working spaces. Its practical kitchen design has loads of cupboard & bench space with the extra convenience of having a dishwasher while the roomy bathroom will complete your wants, laundry facilities a must.

Other extras include: Security intercom, security parking, floorboards, great bedroom robes and a loveable vibe that will make you instantly be hung up on it.
