### In A League Of Its Own?

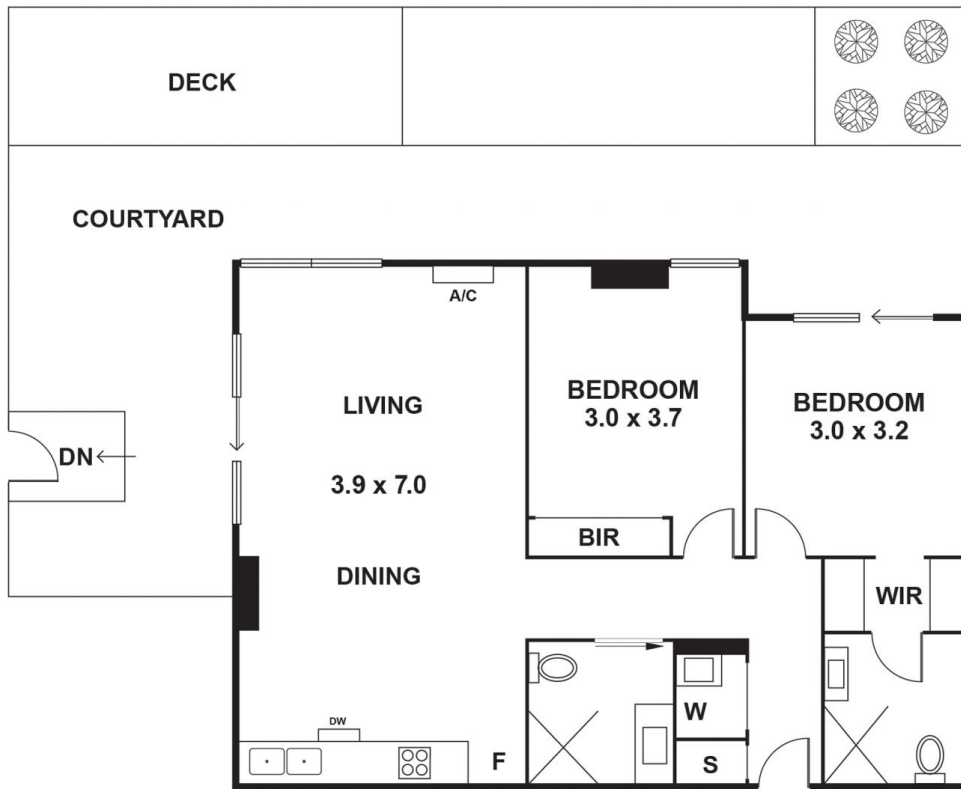

Unique style secrets are revealed throughout this outstanding apartment, which maintains flagship qualities of its own street entrance, practical free flowing floor plan and amazing private courtyard garden. While you love living here, it will also be easy to enjoy the host of dining and transport options only moments from your door in this envied Rucker's Hill location.

A welcoming entrance hallway creates an immediate sense of house like qualities upon entry and provides an easy natural flow between kitchen, dining and lounge with large windows and sliding doors which filters the perfect amount of natural light and outlook leading out onto that marvellous garden setting. Both bedroom retreats offer an unexpected sense of total privacy overlooking the garden with the master enjoying the benefits of having its own bathroom and walk in robe. A well-planned layout is also confirmed with the convenience of a European laundry and linen cupboard.
