### A Good Old 70's Classic Floorplan...

They just don't build them today, like they did when these classic 70's block were built. The architect's vision back then was clearly a small house like vibe on this inside, which is evident here, with its large floorplan, while its solid brick construction is known to have a longer lifeline.

It's on trend engaging red brick retro façade, flows on through inside with some gorgeous original light fittings, door handles & glass sliding doors which help create a comfy mood in the large living room. Its welcoming hallway entrance will instantly confirm its layout is defiantly thoughtful separating the 2-bedroom retreats away from everyday living and cooking. Non pretentious improvements over the years have been made to the kitchen & bathroom while it's freshly painted interior, will simply confirm you can move straight in and be glad to call
