A Dream Home In Westgarth...

Nestled along the Merri Creek walking trails and amongst all the wonderful things this Westgarth precinct is known to offer, is this meticulously designed double storey home, with some serious entertaining flair.

A strategically placed open plan design on the upper level enjoys all the benefits of its north & easterly orientations, instantly setting the scene for easy entertaining on the large terrace. This level also hosts a committed home office area, powder room and a practically planned kitchen which lets the host mingle with guests overlooking this entire sprawling level.

An independent lower level showcases a master bedroom retreat which enjoys the backdrop of its tranquil private garden setting, internal garage access and double shower
